

專題討論： 人工智能及機器人於香港各行業應用發展前瞻論壇

黎少斌先生
Mr Edmond LAI

論壇嘉賓
Forum Speaker

香港生產力促進局首席數碼總監
Chief Digital Officer, Hong Kong Productivity Council

Joined HKPC in 2018, Edmond spearheads digital transformation, industry and enterprise 4.0, plus reindustrialisation through advanced manufacturing. Previously with General Electric for 20+ years, his experience covered information technology, internal audit and finance functions with assignments in Asia Pacific, Europe, Greater China and United States across plastics, healthcare, capital, power, aviation, transportation industries.

Edmond held both commercial and business roles with regional or global responsibilities for rail, mining, renewable energy, marine, energy storage, thermal power generation industries, with hands-on leadership in digital transformation and products development for sizeable organisations.

黎少斌先生在2018年加入生產力局，帶領數碼轉型、工業和企業4.0、以智能製造進行再工業化的業務發展。黎先生曾任職通用電氣逾20年，在資訊科技、內部審計和財務範疇具豐富經驗，並於亞太區、歐洲、大中華區和美國引領醫療、投資、能源、航空和運輸業務。

黎先生亦在環球和區域的鐵路、礦業、可再生能源、海洋、能源儲存、火力發電等行業擔當商業決策角色，並在具規模的機構累積領導能力，帶領數碼轉型和產品開發。
